Winter Storm

A coastal storm which passed well to the southeast of New England brought heavy snow and strong winds to Cape Cod, Martha's Vineyard, and Nantucket. Snowfall totals of 4 to 8 inches were widely observed. Several minor accidents were reported on Cape Cod during the height of the storm.

Some specific snowfall totals, as reported by trained spotters, included 8 inches on Nantucket and in Vineyard Haven; 7 inches in East Falmouth, Bourne, and Barnstable; and 6 inches in Chilmark, Sandwich, and Eastham.
